Oct. 9-10 (Face to Face) Oct. 16-17 (Face to Face) Oct. 23-24 (Virtual)

📣 Join Us This Fall for the 2025 Early Childhood Conference! 🌟

This year's conference brings together individuals from around the world to share insights, innovative practices, and the latest research on early intervention, early childhood special education, inclusive practices, and the integration of AI in early learning environments.

Who should attend...

- PreK Teachers
- Kindergarten Teachers
- Administrators
- Early Childhood Directors

Topics...

- Unlocking the Power of AI for Early Childhood Education
- Creating Inclusive Classrooms for Young Learners
- Early Intervention Strategies for Developmental Success
- Engaging Families in Early Childhood Programs
- High-Impact Practices for Dynamic Early Childhood Leadership
